EDUCATIONAL DEPARTMENT

Public School Teachers, and Mothers!

You Who Are Interested in Child-Welfare:—

Send us your name and address to-day, so that we may mail you our new 1914-1915 edition of "School Room Music" booklet. This booklet describes fully "How the Grafonola is used in Education," in training the physical body, and in training the mental forces.

*Instructive but not pedantic.
Enlightening but not radical.*

Foreign Series of Columbia Double-Disc Records

We issue catalogs and special lists of foreign records in all the following languages:
